Engine/Fuel Type: unleaded

Engine Hours: 700

Engine Power: 70|horsepower

Tanks

Fresh Water Tanks: 150Gallons

Fuel Tanks: 1130Gallons

General Boat Description

Compact Luxury Meets Big Performance

One of the finest C107's Built, Professionally Maintained, Available for Immediate Delivery

Experience exceptional efficiency, comfort, and innovative design with the **Aspen C107**—a fuel-efficient cruising catamaran that delivers big-boat amenities in a manageable and trailerable package. With Aspen's award-winning **power proa hull**, the C107 offers unmatched stability, a smooth ride, and outstanding fuel economy—all in a sleek 35-foot LOA platform.

Not only were we running flat and surprisingly stable in the 15-knot breeze and a decent chop in Rosario Strait off Anacortes, but at a speed of 20 knots we were travelling 1.75 miles for every gallon (3.8 litres) of gas burned—a very impressive figure. Those attributes—stability and excellent fuel efficiency—are among the reasons for the huge success of Larry Graf's Aspen Power Catamarans.

Peter Robson, *Pacific Yachting*, August 2019

Highlights Include:

- 18k BTU AC
- NextGen 3.5KW Genset - 19G Diesel Tank (in bustle on swim step)
- Aspen EZ Davit + Inflatable Dinghy and 6 HP Yamaha
- Midnight Sun(Custom 4 way 360 Spot Light) + ACR Spot light
- Extended Expedition Hardtop w/ Hatches, Lights, Skylights, and Enclosure - No-see-ums screens.
- Expedition Fuel Tanks (130 G) Amtico Flooring + Teak Trim Upgrade
- 8600 Series Garmin Chartplotter + Display, 1K CHIRP Ducer, Radar, AIS, Autopilot, Weather Module.

- **Spacious Layout:** Despite her compact footprint, the C107 features a bright, open salon with

generous headroom, a fully equipped galley, and ample storage throughout.

- **Comfortable Accommodations:** Sleeps up to 5 with a forward master stateroom (queen berth), a guest cabin with twin berth, and a convertible dinette in the salon.
- **Full-Featured Head:** Includes an electric toilet, large vanity, and separate enclosed shower.
- **Modern Design:** Large windows provide panoramic views and abundant natural light, enhancing the sense of space and connection to the water.
- **Cruise-Ready Equipment:** Often outfitted with generator, air conditioning, solar panels, full Garmin electronics suite, and dinghy davit system (specific features vary by vessel).

The Aspen C107 is **ideal for couples or small families** seeking a capable, efficient, and well-crafted coastal cruiser. Its unique hull design offers a smoother, drier ride in rough water and unmatched fuel economy—perfect for those looking to go farther, faster, and smarter.
